Case No: 08-30690-D-13L

NOTICE OF FILED
CLAIMS

In accordance with General No. 05-03 effective October 17, 2005, Lawrence J. Loheit, Chapter 13 Trustee, has compiled a list of filed claims in this case. A copy of paragraph 6 of the General Order is below with information on claims, objections, and modifications:

(a) Prior to the expiration of the deadline to object to proofs of claims (see subparagraph (c) below), the Trustee shall pay claims as specified in the confirmed chapter 13 plan unless the Trustee is served with an objection to a claim which is set for hearing within 60 calendar days of its service. Until the objection is adjudicated or settled, the Trustee shall cease paying dividends on account of the objectionable claim. If the objection is overruled, at the request of the claimant or the Trustee, the court may make provision for payment of any dividends not paid while the objection was pending.

(b) The Notice of Filed Claims shall be filed and served by the Trustee upon the debtor and the debtor's attorney, if any, no later than the longer of 250 calendar days after the order for relief or 180 calendar days after confirmation.

(c) Objections to claims shall be filed and served no later than 60 calendar days after service of the Notice of Filed Claims. The debtor shall set a hearing on any objection pursuant to Local Bankruptcy Rule 3007-1(d)(1) or (d)(2) on the earliest available court date.

(d) Nothing herein shall prevent the debtor, the Trustee, or any other party in interest from objecting to a proof of claim after the expiration of the deadline for objections specified in the subparagraph (c) above. However, any objection filed after the expiration of that deadline shall not, if sustained, result in any order that the claimant refund amounts paid on account of its claim.

(e) If a creditor fails to file a proof of claim within the time required by FRBP 3002 (c) or section 502, the debtor or the Trustee may file a proof of claim on behalf of the creditor pursuant to FRBP 3004. The time for filing such a claim is extended to 60 calendar days after service on the debtor or his counsel of the Notice of Filed Claims.

(f) If the Notice of Filed Claims includes allowed claims which are not provided for in the chapter 13 plan, or which will prevent the chapter 13 plan from being completed timely, the debtor shall file a motion to modify the chapter 13 plan, along with any valuation and section 522(f) motions not previously filed, in order to reconcile the chapter 13 plan and the filed claims with the requirements of the Bankruptcy Code. These motions shall be filed and served no later than 90 calendar days after service by the Trustee of the Notice of Filed Claims and set for hearing by the debtor on the earliest available court date. Paragraph 8 [See G.O. 05-03] shall apply to any motion to modify the chapter 13 plan.

(g) Nothing herein shall prevent the debtor, the Trustee, or the holder of an allowed unsecured claim from requesting plan modifications at other times.

(h) If the court enters an order valuing a creditor's collateral and the creditor has filed or later files a proof of a secured claim in an amount greater than the value established for the collateral, the allowed secured claim shall be the value of the collateral determined by the court. It is unnecessary for the Trustee or the debtor to file a claim objection in addition to the motion valuing the collateral. If the creditor has filed or later files a proof of a secured claim in an amount less than the value established for the collateral, the allowed secured claim shall be the amount claimed by the creditor.

(i) If the court enters an order avoiding the judicial lien or nonpossessory, nonpurchase money security interest of a creditor and the creditor has filed or later files proof of a secured claim which identifies as security only the avoided lien or security interest, the claim shall be allowed as a general unsecured claim. It is unnecessary for the Trustee or the debtor to file a claim objection in addition to the lien avoidance motion.

REVIEW THE COURT RECORDS. The Chapter 13 Trustee makes no warranty as to information herein. The information may be incorrect or incomplete.

This notice contains information regarding filed claims and their treatment through the plan. The debtor should note these dates:
